SCOPE

International Journal of Professional Business Review aims to publish original research in order to contribute to the promotion and dissemination of key issues in professional business and related areas. The JPB Review is published by Open Access Publications LLC. and also it is supported by Management Institute (Warsaw University of Life Sciences, Poland). The JPB Review's content aspires to be relevant and interesting to a wide readership, which adds to the understanding and discussion of professional business and academia worldwide. To be published in the JPB Review, authors must adhere to high standards of research and contribute to theory and/or practice in related areas, regardless of whether the level of analysis is the organization, region or country. The JPB Review challenges potential authors to produce high quality distinguished research, well grounded in theory and with high methodological rigor. The demonstration of an effective conceptual contribution will be considered in the journal's editorial process.
