## **MOTTO**

“Life can be heavy, especially if you try to carry it all at once. Part of growing up and moving into new chapters of your life is about catch and release. What I mean by that is, knowing what things to keep, and what things to release. You can't carry all things. Decide what is yours to hold and let the rest go”

**(Taylor Swift)**

"I just want to remind you that no matter who you are, how far you feel from God, He's not that far from you. I feel like we go through so many ups and downs, and we're not alone. I just want you to know that." "Maybe you're in a dark place right now. Maybe you feel like you're not good enough... But I'm here to tell you, life is worth living. It's okay to make mistakes. It's okay to not be okay sometimes."

"You have a purpose. Don't give up on yourself. God hasn't given up on you."

**(Justin Bieber)**
