## DEDICATION

To my beloved father, (Alm) Amran.  
Though you are no longer here in sight,  
your presence lingers softly in every beat of my heart.  
Your wisdom still whispers through the quiet hours,  
your strength still guards me in every decision I make.  
Thank you, Father, for teaching me courage through silence,  
for showing me that love does not end when breath does it only transforms.  
This accomplishment is not mine alone, but the echo of your eternal devotion.

To my dearest mother, Rosi A.R.  
You are the sun of my days and the calm of my storms.  
Through your prayers, I found direction;  
through your patience, I found endurance;  
through your love, I found the strength to rise again and again.  
Thank you, Mother, for your gentle sacrifices,  
for every sleepless night, every whispered prayer, every tear you hid behind your  
smile.  
You are the quiet force behind every success I achieve  
my forever home, my endless source of light.

To my beloved sisters, Nike Ardila and Nurul Sarah.  
You are my shelter and my mirror my protectors, my laughter, my guidance.  
In your strength, I learned resilience;  
in your kindness, I learned compassion.  
Thank you for standing beside me when the road was uncertain,  
for reminding me of who I am when I almost forgot.  
You have been my safe place,  
the arms that caught me when I fell,  
and the gentle voices that told me, "You can do this."  
Family is not just blood it is love woven through time,  
and you two are the threads that hold me together.

To my dearest friends, Nurahma Salsabila and Yuli Silwana.  
Our laughter has echoed through long nights of study and struggle.

We have shared exhaustion, tears, and dreams  
and through it all, you have been my strength in disguise.

Thank you for coloring my journey with joy,  
for reminding me that friendship is not about being unbreakable,

but about walking together even when we are tired.

This achievement carries traces of your laughter and faith.

To my respected supervisors,  
Advisor I Dr. Suyadi S.pd., M.A and Advisor II Efa Silfia M.Pd  
Thank you for your patience, your wisdom, and your unwavering guidance.

Your dedication has illuminated my path,  
turning confusion into clarity, and doubt into determination.  
May every kindness you have shared return to you as endless blessings.

To the beloved one who has always been by my side.  
You are the light in my darkest moments,  
the steady support when I almost falter,  
and the gentle voice that calms me when the world feels too heavy.

Thank you for being present without condition,  
for believing in me when I doubted myself,  
and for walking beside me through every step,  
whether the path was smooth or full of challenges.

Your presence is a priceless gift,  
a constant reminder that I am never truly alone on this journey.  
Every smile, every prayer, every act of encouragement  
has become a part of this story,  
and I will be forever grateful for your love and unwavering support.

And finally, to myself.  
Thank you for not giving up.

For standing tall when the weight felt unbearable,  
for embracing tears as part of the process,  
and for choosing hope even when despair felt easier.

You have fought battles no one else has seen,  
and yet, here you are still standing, still shining.  
This work is more than a culmination of effort;  
it is a quiet victory of the soul,  
proof that growth blooms even in the hardest seasons.

To all who have been a part of this story  
in presence, in prayer, in love, and in silence  
thank you.

This thesis carries your names between its lines,  
your prayers in its words,  
and your love in every heartbeat that brought it to life.

This is not only my achievement  
it is *ours*.
